

# LEVEL BASED DANCE CLASSES

At Kim Jay Dance Company, we offer level-based classes designed to meet students where they are, regardless of age.

**Why Level-Based Classes?** Instead of grouping students by age, we place dancers in classes based on their skill level. This approach ensures that every student receives the right amount of challenge and support, allowing them to progress at their own rate. Whether you're a beginner, intermediate, or advanced dancer, you'll be in a class that aligns with your current abilities, helping you build confidence and refine your technique.
